

slat spike connect

instructions for use

For unpaved beds and greens

1. Stick ground spikes in the ground.
2. Provide the electrical connection between connect plug and connect socket **aboveground**.
3. The TWISTLOCK technology components snap together noticeably and audibly when connected with firm pressure (symbol ›arrow‹ on ›close lock‹) – see figure.
4. Simply turn to release the TWISTLOCK technology components again (symbol ›arrow‹ on ›open lock‹) – see figure.
5. Optionally fix mains cable in the ground spike.
6. The connect socket signals the movability of the luminaire. Please note, that a fixed installation and/or a connection with an earth-joint is only permitted in combination with the underground connection kit.
7. For further installation, please consider the instructions for use for IP44.de connect.

light technology:

230V Power LED / 2700K
system performance: 8 W/280 lm

A+ EEC

technical information:

operating voltage 230V / 50Hz
supply cable H05RN-F 3G0,75

IP65 protection class

safety class 1

Luminaire is suitable for mounting on normal inflammable fixing surfaces.

CE conformity mark

maintenance:

Disconnect the electrical installation.

This luminaire contains built-in LED lamps. The LED lamps can be replaced by IP44.de in case of a failure of the LED. In this case, please get in touch with your retailer.

dimming:

The luminaire can be dimmed with an approved leading- or trailing edge dimmer. Please contact IP44.de service center for a list of approved dimmers.

care:

Regularly clean luminaire from dirt and deposits. Do not use a high pressure cleaner for cleaning. Please note care instructions at www.IP44.de.

safety:

We point out that the electric connection of light fixtures has to be done by a certified installer. We assume no accountability for damages which are a result of non-appropriate mounting or application of the luminaire. Modifications on the luminaire will result in loss of warranty.

assembly instruction:

The luminaire may not come into contact with highly acidic or alkaline soils, or with other aggressive substances, chemicals or fertilizers.
